

# Nourishing Hand Cream

Divinely perfumed with  
organic rose essential oil

Ultra rich for dry chapped hands

Organic shea butter to keep hands  
soft and smooth

## ***Nourishing Hand Cream***

An ultra-rich and nourishing cream for dry, chapped hands with antioxidants that help protect the hands from environmental stress.

Organic shea butter and phospholipids keep the hands soft, supple and smooth. Helps to refine the texture of the hands and brings moisture to the skin. Absorbs quickly without leaving the skin greasy. Perfumed with divine organic rose essential oil.

### ***A Daily Indulgence***

Pure and traditional, the elegant rose aroma adds decadence to a daily ritual. Presented in a handy 40 ml tube to carry in your handbag, for your office and anywhere you may go.

### ***Ingredients***

Organic aloe barbadensis (aloe vera) leaf juice, organic butyrospermum parkii (shea) fruit butter, aqua (purified water), organic sugar-cane ethanol, non-gmo lecithin, sclerotium rolfsii gum, aroma (organic essential oils), organic olea europaea (olive) juice extract, geraniol\*, citronellol\*, citral\* (\*components of organic essential oils).

aqua

essential oils

sugar cane

aloe vera

olive

### ***How To Use It***

Use regularly to keep your hands soft, supple and younger looking. Squeeze a small amount into your palms and massage into hands, paying particular attention to the back of the hands.
